Use your near doubles strategy:

3 + 4 = _____

8 + 9 = _____

5 + 6 = _____

7 + 8 = _____

9 + 8 = _____

6 + 8 = _____

Estimate:

44

+ 28

Dear Grade 3 Families,

This week: In **Language Arts**, we continue to work on reading comprehension strategies and our weekly word work to go along with our spelling words. We also wrote letters to Santa and completed some last-minute reading assessments for report cards.

In **Science**, we have continued with our Hearing and Sound Unit. We have discussed the parts of the ear and, on Tuesday, we created a plasticine model of the human ear. We have also moved on to talking about string instruments and how changing the thickness and tightness of a string will change the pitch it makes.

In **Social**, we continued to discuss about Quality of life and what that looks like in different countries. We looked at the quality of life in Peru, Tunisia, India and Ukraine and compared what was available to people in the city and in the country.

Important Dates

- Library & Spelling - Wednesdays
- Early Dismissal & Loonies for Lamont - Wednesday December 4th
- Holiday Gift shop visit - Wednesday December 4th
- Report Cards go up on PowerSchool on Thursday December 5th
