

LOOK WHAT I
LEARNED...

Name: _____

Date: _____

Learning Goal: I can recognize and spell high frequency words.

This Week's Words

1.

2.

3.

4.

5.

6.

7.

8.

9.

10.

Math

Learning Goal:
Relate the passage of time to common activities, using nonstandard and standard units (minutes, hours, days, weeks, months, years).

Circle the best estimate:

a)

Building a snowman – 25 pendulum swings or 1 recess

b)

Combing your hair – 1 Tv commercial or 7 TV commercials

c)

Playing a game of checkers – 1 recess or 2 recesses

Estimate how long each activity would take:

a)

Making a sandwich

2 minutes or 2 hours

b)

Take a Shower

10 minutes or 10 seconds

c)

Walk the dog

20 minutes or 20 hours

d)

Sing O’Canada

2 seconds or 2 minutes

How many seconds are in 1 minute? _____

How many minutes are in 1 hour? _____

How many days are in 1 week? _____

How many weeks are in 1 month? _____

Dear Grade 3 Families,

In **Language Arts**, we have been focusing on main ideas when we are reading. We are looking for the main idea in fiction and non-fiction books and looking for supporting ideas. We also continue to work on our word work that goes along with next week's spelling test and continue to work with reading groups at various levels.

In **Math**, we have started our measurement unit. We are starting off with talking about time. We started the week off with how long it would take us to do things using pendulum swings and then moved into standard time. We are talking about seconds, minutes, hours, days, months and years.

In **Science**, we started building sliding doors and then created a barn with an arch roof to put our sliding door on. We will continue to build next week so please send any recycled materials that can be used for building. For example: egg cartons, plastic containers/bottles, paper tubes, broken down boxes, etc.).

In **Social**, we have learned about the different environments in Peru, Tunisia, Ukraine & India. We each chose one of these countries to create a brochure on and have been working hard on this project all week.

Important Dates

- Tuesday February 25th - Twin day
- Wednesday February 26th - Pink shirt day
- Spelling Test & Library on Wednesday
